

Ministers Should Use Dr. Miles' Heart Cure.

THERE IS NO PROFESSION, whose labors so severely tax the nervous system, as that of the ministry. The engagement of the nerve centers of the brain by overwork, frequently brings on attacks of heart trouble, and nervous prostration.

Rev. J. P. Kester, M. D., Pastor U. B. Church, London Mills, Ill., himself a physician, writes Feb. 26, 1895: "Heart affection and nervous prostration had become so serious last fall that a little overwork in the pulpit would so completely prostrate me that it seemed certain I must relinquish the work of the ministry entirely. Heart palpitation became so bad that my auditors would ask me if I did not have heart disease. Last November I commenced taking Dr. Miles' New Heart Cure alternately with Dr. Miles' Nerve and derived the greatest possible benefit. I have just closed revival work of 10 weeks, preaching nearly every night and twice on the Sabbath. I can speak for hours without suffering as I formerly did. Hard working ministers should keep Dr. Miles' grand remedies on hand."

Dr. Miles' Heart Cure is sold on guarantee, first bottle will benefit or money refunded.

STATE NEWS NOTES.

MICHIGAN ITEMS WHICH WILL BE OF GENERAL INTEREST.

Short Review of the Work of the State Solons at Lansing. Other News of Interest from All Over the Great State Reported by Telegraph.

Lansing, Mich., May 22.—The conference committee upon the Merriman bill, increasing the specific tax upon railroad earnings, has made its report. The report is a great disappointment to the friends of largely increased taxation. It increases the tax over that under the present law about \$200,000, and over the bill, as it passed the senate, about \$32,000. A new item of taxation is the union depot companies' earnings. The following is the rate of taxation agreed to: Earnings less than \$2,000 per mile, 2 1/2 per cent.; between \$2,000 and \$4,000, 3 1/2 per cent.; between \$4,000 and \$6,000, 4 per cent.; over \$6,000 and \$8,000, 4 1/2 per cent.; over \$8,000, 5 per cent. On gross income of union depot companies, with income in excess of \$20,000 per mile, 10 per cent.

Lansing, Mich., May 26.—The house in committee of the whole agreed to an anti-trust bill which prohibits any combination to increase or decrease the price of commodities and provides a penalty for violation of not less than \$500 nor more than \$2,000. The bill was hotly attacked on constitutional grounds, and is not believed by lawyers to be able to stand the scrutiny of the courts. A bill was also agreed to increasing the franchise fee of corporations from 1/2 mill to 1 1/2 mills upon each dollar of the capital stock. It also increased the minimum fee from \$5 to \$20.

The house yesterday afternoon, by an almost unanimous vote, adopted the amendments recommended by the conferees of both houses on the senate bill increasing the specific taxes upon railroad earnings. The Pingree representatives, who had fought for much higher taxes upon railroads, voted solidly for the measure as amended, as being the best that could be had at this session. The bill increases the assessments upon railroads by over \$200,000 annually. As at first amended and passed by the house the increase would have been upwards of \$700,000. The bill goes to Governor Pingree for his signature.

LAKE VESSELS IN COLLISION.

The Steamer Florida Goes Down but Her Crew is Saved.

Port Huron, Mich., May 22.—The steamer Florida of the Lackawanna line sank in Lake Huron off Middle Island and Thursday as the result of a collision with the George W. Robey of Cleveland. As far as known all the crew were saved and taken to Port Huron. The Florida was a wooden hulk vessel built in 1889 and valued at \$100,000. It left Chicago May 18 bound for Buffalo with a load of grain and merchandise. In the hold there were 56,000 bushels of wheat and on deck was a cargo of flour, beef and other staples. The cargo was valued at \$75,000. Both vessels had wood hulks, but as far as can be learned, the Robey was not injured.

Officers of the steamer John M. Glidden, which arrived in Sault Ste. Marie, Mich., report having passed wreckage and debris of the wrecked Florida. There was a dense fog prevailing at the time in the vicinity of Middle Island and it is thought this caused the collision. The Florida was owned by the Lackawanna Transportation company, which has an office in the Marquette building. George L. McCurdy insured the vessel.

AN IRREGULAR PARDON.

Governor Pingree Releases Convict Wixom Under a Misunderstanding.

Lansing, Mich., May 25.—The legislative committee which investigated the pardon by Governor Pingree of Convict Wixom, an inmate of the Jackson state prison, reported that the pardon was irregular and intimated that Sybrant Wesselus, state railroad commissioner, was responsible for it. The committee reported testimony to the effect that Wesselus was to have given \$500 for his influence in securing the pardon and charges that the railroad commissioner is guilty of contempt in having failed to respond to a subpoena summoning him before the committee. The committee reports that Deputy Warden Wiseman, who is a friend of Wesselus, interested himself in getting Wixom pardoned on the supposition that he would receive \$200 for it, and that Wesselus was, in all probability, instrumental in obtaining the pardon.

HYSTERIC.

Women Should Understand This Strange Nervous Derangement.

A Symptom of Something Far More Serious—Mrs. Harris, of Beaver Springs, Relates Her Experience.

The spasm at top of wind-pipe, or in bronchial tubes, the "hail rising in the throat," violent beating of the heart; laughing and crying by turns; muscular spasms; throwing the arms about, etc., tell of a derangement of the female system.

Any female complaint may produce hysterics, which must be regarded as a symptom only. The cause, whatever it may be, yields quickly to Lydia E. Pinkham's Vegetable Compound. It acts at once upon the organ affected, and the nerve centers; removes the cause, and dispels effectually the symptoms.

Mrs. Harris relates her experience for the benefit of others.

"I had been sick with ulceration of the womb, causing all kinds of disagreeable experiences, such as irritability, sleeplessness, faintness, and at times hysterics. My physician said it was the worst case he ever had. My back ached, leucorrhoea very profuse, and I had a severe bearing-down pain. The physician thought I should never recover, and as the last remedy, they procured my Vegetable Compound. I had not taken more than one-fourth of a bottle, before I was more comfortable. I continued its use, also the Sensitive Wash, and Liver Pills. After using four bottles, I was able to be out, and do almost all my work. I think the Vegetable Compound is the only medicine that will cure female complaints, and it will reach the worst cases in a very short time. I know it saved my life."—MRS. M. CONTEST OVER COLT WILL.

Charge That Death Was Hastened by Overdose of Medicine.

Hartford, Conn., May 26.—A suit for \$100,000 has been begun in the United States court here against Mrs. Elizabeth H. Colt of this city by James B. Colt of Washington, and Norman B. Colt of Seattle, Wash., nephews of Samuel Colt, who died in 1862.

The suit is the result of the revoking of legacies to the plaintiffs by Samuel Colt, who made a fortune out of the manufacture of firearms. In the complaint it is charged that Mrs. Colt influenced her husband to revoke certain codicils to his will which gave to the plaintiffs a share in his estate. It is alleged that Mrs. Colt was moved by hatred. She also induced Samuel Colt to believe, it is alleged, that letters containing scandalous matter were written and sent by James B. Colt, or his wife, or some one acting under his direction. It is further asserted that Samuel Colt desired a reconciliation with James B. Colt, but that Mrs. Colt prevented it, and that Colonel Colt's death "was soon thereafter caused or else unduly hastened by the improper use of medicines, viz., an overdose thereof to Samuel Colt."
